INVITATION

Date :

Date : 27/04/2007

To,

Sub. : (1) Your valued participation & educational grant in the official Annual conference of Indian Association of Gynecological Endoscopists IAGE.

Ref.: IAGE-2007 - 22nd to 25th June 2007 in Ahmedabad.

Dear Sir,

Seasons Greetings!

Hope this letter finds you in the best of your health.

Indian Association of Gynecological Endoscopists -IAGE is one of the oldest & the largest super specialty society of the India. IAGE is affiliated to ISGE & AAGL. IAGE has membership strength of more than 1300 members. IAGE organizes one Annual conference every year. It is always well attended & highly appreciated.

IAGE 2007 will be organized in association with Ahmedabad Obstetrics & Gynecological Society – AOGS. AOGS is the official association of Obstetrician & Gynecologists of Ahmedabad city. AOGS has membership strength of more than 800 members. AOGS is affiliated to Federation of Obstetrics & Gynecological Societies of India – FOGSI & FIGO.

AOGS is very active & innovative in the field of academic activities & public awareness programmes. AOGS has received the best society award from FOGSI. AOGS regularly organizes conferences, workshops, seminars, orations, satellite workshops, post graduate training programme, public awareness programmes etc. AOGS organized a regional IAGE conference "Endovision 2004" in Ahmedabad in the year 2004.

Endovision-2004, regional IAGE conference in year 2004 with satellite Symposia, Live interactive workshop & Conference on "Controversies in Gynecological Endoscopy"– Four days successful conference. In Live Interactive Satellite symposia by Dr.Metteler from Germany, Dr.Resad Pasic from USA, Dr.Pallanivalu from Coimbtore, Dr. Mahesh Desai from Nadiad & Dr.Pradip Chow by from Delhi had delivered their experience & presentations from their centers on interesting topics.

This year Official Annual IAGE in June, IAGE 2007 we are planning Endoscopy & Minimally Invasive Surgery to the dais again–Theme being "Trouble Shooting in Gynecological Endoscopy"

& scientific deliberations will be focused on these topics to help our delegates to understand their common problems when they are advancing their skills from level-1 to level-2 & level-3 Endoscopic surgeries.

We have focused more on live, interactive & hands on part to make our conference more & more useful to all delegates.

WE are inviting participation of all IAGE members in our conference by requesting for their participation in the form of paper poster (On Minimum Invasive Surgery) & Video (On Complication on Laparoscopy & Hysteroscopy) Presentations & Awards.

Special feature of our conference will be Unique Special One Day Post Graduate Course on following topics as follows;

- (1) SUI & VVF Repair
- (2) Pelvic Floor defects repair
- (3) Laparoscopic suturing
- (4) Hysteroscopy
- (5) Laparoscopic Hystrectomy

We are also planning Satellite Sessions, which includes live interactive lectures, discussions, surgery from different Endoscopy centers (Gynecological, Gastro-intestinal & Urological Centers) of the world to share their knowledge (Unique ideas & tricks) in our conference.

We request you to go through the attachment for different kind of participation in our event.

Here is an opportunity to meet face-to-face more than 500 top doctors from all over the country when they are free & receptive to understand your product. These means your participation in IAGE 2007 will definitely earn you a tremendous goodwill as a promoter of academics & knowledge. It will definitely help to strengthen your company's image & yield immense goodwill. IAGE 2007 can be a golden opportunity to launch/ demonstrates your new product/instrument to the most elite doctors.

All the participants who had participated in the Endo-vision 2004 conference had a great reward in terms of generating new clients and tremendous business. IAGE 2007 will be an even better opportunity.

We assure you the best cooperation from our side in giving ample exposure of your company's product based on your financial support for this academic activity (Name of the Conference/Workshop/Basic Course/Name of the Hall for Hands on Training Courses/Name of the Operation theatre/Name on the OT Dress/ Name of the scientific sessions/Demonstration of Surgical Instrument/Registration counter/LUNCH/Breakfast etc.)

We request you to participate in IAGE 2007 in a big way. We are in final stage of designing First circular & tentative program. We are also looking for sponsorship with advertisement in the 1st circular.

Hopping prompt and favorable response,

Thanking you,
Yours sincerely,

Dr.Pragnesh Shah
